Estado del arte - Scopus

Este informe muestra el estado actual y las tendencias de las publicaciones Scopus relacionadas con el tema “territorio y violencia”. Se presenta las cifras de las publicaciones, citas, colaboraciones y tendencias entre otros. Este es un insumo para la comunidad académica USTA cuyo objetivo es identificar tendencias mundiales en las publicaciones para articular líneas y grupos de investigación.

ABSTRACT

his report shows the current status and trends of Scopus publications related to the theme territory and violence. The figures of the publications, citations, collaborations and trends among others are presented. This is an input for the USTA academic community whose objective is to identify global trends in publications for joint lines and research groups.

Keywords: Scopus, state of the art, violence, territory

Observatorio de bibliometría y cienciometría USTA

Ficha técnica
