

CERTIFICATE OF PARTICIPATION

Aura Zea

April 6-9, 2019
Orlando, FL, USA

This certifies that the following person participated and attended the
**Experimental Biology (EB) Meeting at the Orange County Convention Center in
Orlando, FL over the dates of April 6 - 9, 2019.**

Annual Meeting of:

**American
Association
of Anatomists (AAA)**

**The American
Physiological
Society (APS)**

**American Society
for Biochemistry
and Molecular
Biology (ASBMB)**

**American Society
for Investigative
Pathology (ASIP)**

**American Society
for Pharmacology
and Experimental
Therapeutics
(ASPET)**

Guest Societies

Session Type: Minisymposium

Session Title: Vascular Biology and Pathology

Session Date/Time: 04/07/2019 - 8:30 AM

Presentation Number: 120

Presentation Title:

Develop of a Neural Network to Evaluate the Cardiovascular Risk
Using Body Composition Data

Experimental Biology is an annual meeting of five societies comprise of more than 12,000 scientists and 25 guest societies in one interdisciplinary community. Primary focus areas include anatomy, biochemistry and molecular biology, investigative pathology, pharmacology and physiology.

This multidisciplinary, scientific meeting features plenary lectures, workshops, symposia, posters presentations, on-site career services and exhibits spotlighting products and services integral to this professional community.

Next Meeting:

San Diego, CA
April 4 - 7, 2020
