How do you say welcome in English? Welcome, yes. Like, give us yourself. Like, we have the special guest.

What do you prefer, Lisa or Daniela? We have Lisa today, and she is going to tell a sad music. Noticiero music. I would.

That was a good one. Noticiero. Wait, wait.

Now, now, now. Of course. Now, now, now.

Okay, here we have our special guest called Lisa, and she's going to share the sad story. Or happy story for being an adult. Hello, everyone.

This is my story. It's not a sad story because I think that it's good of things that happened to me. Okay.

When I was a child, I realized that I didn't look like my mother or like my father, but I looked like my sister, my older sister. And a special thing that is his, and she's, is... Don't look like this. Wait.

17 years old tummy. Older. Older tummy, yeah.

Okay. So, she only say to me that she was my mom. Your sister.

Yeah. And not my mother and my father. Wow, that plot twist.

Okay, so your grandparents adopted you. Yeah, because my sister was a child, only 17. I didn't have money.

Wow, okay. And how do you feel about it? Okay, it's okay. I love them.

Great. That was perturbing. Thank you for that, Lisa.
