Re: Dr. Joan Pedro-Carañana

To whom it may concern:

It's with pleasure that I write in support of Dr. Joan Pedro-Carañana's participation in the project "Presente y futuro de la comunicación política colombiana. Fase I: narrativas, argumentos y estrategias acontecidas Twitter en el contexto de las recientes campañas electorales (2018-2019)," based at Universidad Santo Tomás (Bogota) and directed by Danny Cuellar Aragón (Grupo IESHFAZ).

I hereby give permission for Dr. Pedro to be included in the research grant application for the program FODEIN 2020.

Yours sincerely,

Paul Vita, Ph.D.
Director and Academic Dean
